

German Chant of Hate To Be Barred in Books Intended for the Young

Berlin, August 10.—(Via London.)—A campaign against Ernest Lassauer's song expressing hatred for England has been started by The Cologne Volks Zeitung, a Catholic organ, which demands the song be excluded from books intended for the young. The paper declares at a time of international bitterness the youth of a nation should not be taught to cherish hatred.

The Berliner Tageblatt and other influential newspapers have endorsed the demand voiced by The Volks Zeitung.

Emperor William decorated Herr Lassauer, author of the "Chant of Hate," with the Order of the Red Eagle of the fourth-class after his sonnet was published.

Composer Edwin Grene Dead.
London, August 11.—(9:56 a. m.)—Edwin Grene, composer of songs which gained world-wide popularity, died tonight aged 49 years. He had been an invalid nearly half his life.

Resinol

quickly heals skin troubles

There is immediate relief for skins itching, burning and disfigured with eczema, ringworm, or other tormenting skin trouble, in a warm bath with Resinol Soap, and a simple application of Resinol Ointment. The soothing, healing Resinol medication sinks right into the skin, stops itching instantly, and soon clears away all trace of eruption, even in severe and stubborn cases where other treatments have had no effect.

Resinol Soap and Resinol Ointment also clear away pimples and blackheads, and form a most valuable household treatment for sores, wounds, boils, etc. Prescribed by doctors for 20 years. Sold by druggists. Avoid imitations.

SHOWERS ARE PREDICTED FOR REMAINDER OF WEEK

The slight showers of Monday were continued yesterday over Georgia generally, and the weather-befitting of the farmer and the well-being of the city. The heavy clouds preceded the August showers which had been anticipated and varying winds during the day and evening rendered sturdy offices and protected sleeping apartments.

Conditions are favorable," said Weather Man von Hermon. "For general showers, probably for the remainder of the week, and if it rains they will be sufficiently distributed to break the drought, which has been prevailing in Georgia."

The temperature Tuesday varied between 76 and 87 degrees.

COUNTY MAKING MANY STREET IMPROVEMENTS

Public Works Committee Has 1,000 Men on Projects, With Seventy Per Cent in City.

More than 75 per cent of the entire Fulton county equipment under the supervision of the board of public works is now at work improving the streets of the city of Atlanta, according to Chairman Tom Winn, who stated Tuesday that the county is carrying out more improvement projects at this time than ever before.

The county has more than 1,000 men employed in road building, made up of 250 convicts and 750 white paid employees. They are also working 330 miles.

The Bellwood camp gang has just completed the paving of Chattahoochee avenue from Howell street to the river pumping station.

Another gang is at work paving East Ontario and Ontario avenues with tar macadam. This is a new project and will connect several important thoroughfares.

The repaving of East Fair street with tar macadam has begun and this project will be between Oakland and Boulevard.

Begin Paving of Leon Frigher.

The resurfacing of St. Charles avenue will be completed within the next two or three days and the entire force will be moved to Leon avenue to take up one of the biggest street improvements of the year. As soon as St. Charles avenue is completed traffic can be diverted from Ponce de Leon avenue.

Two gangs of convicts are at work paving Mitchell street and it is probable they will be kept on that job several weeks.

The county is now completing the

paving with tar macadam of Westminster drive from Piedmont avenue to the Southern railway in Ansley Park.

The county also has large forces of workmen on South Pryor street, laying the concrete foundation for the brick pavement, and on Ponce de Leon avenue working on the trunk sewer.

During the past few weeks the county has completed surfacing and cutting nearly three miles of drives at Grant Park and is now cutting and surfacing the drives at Piedmont Park.

In West End the county is paving Cascade avenue with macadam. This work will extend from the city limits to the Campbell county line, a distance of more than five miles.

Paving Country Roads.

Work is nearing completion on the Adamsville road leading from the river bridge at the Cobb county line to the city limits. This road is of macadam and a striking contrast is seen between the Cobb county road just across the river and the smooth paved road on the Fulton county side.

The southside steam shovel has been put at work on the grading of Avon avenue from the Cascade road to Oakland city, and the northside steam shovel has been transferred to Hamp-hill avenue on account of the rock encountered in the Spring street improvement. The shovel will work on Hamp-hill avenue from Bishop street going north.

The "home" camp is busy grading the Lawrenceville road from Sandy Springs to Powers Ferry.

The scaffolding stand is at work on the completion of the preliminary work of the road will be reinforced and oiled.

WELTNER TO CONDUCT LUTHERAN SERVICES

Philip Weltner, lawyer and social worker, will conduct the service at the English Lutheran church on Sunday morning.

During the reconstruction of the church building at Trinity avenue and Capitol place the congregation is worshipping in the Junior Order hall, 30 Capitol avenue.

Let Us Tell You Again!

YOU want to be numbered among the good, patriotic citizens of this community, don't you?

You want to be looked upon as a citizen who is interested in your own community, and who stands ever ready to aid in the upbuilding of the section in which you live, don't you?

You want to be accounted a man--or woman--who is sharp enough and wise enough to know how to get the best values for the money you spend?

You want to see your home section--if you are proud of it, and loyal to it--develop and prosper--morally, industrially, commercially--don't you?

You would like to see every plant--every factory--every mill--every manufacturing establishment--running full blast, with an increasing pay roll every month. You know that would mean more employment for more home people--more money in circulation, more money for re-distribution in all commercial channels. It would mean more comfortable homes--more children in school.

To all these we know your answer is--YES.

For a good, long while we have been preaching to you the doctrine of patronizing home industries. Let us repeat that, as buyers of things to eat and things to wear, you can render no better service to your home community than by calling for the goods made right here in your midst.

The manufacturers whose names appear below do not hope for, nor expect, your patronage solely and purely on patriotic grounds.

That's a mighty good reason.

But they go further than that. They guarantee that their respective lines--manufactured here at home--are certainly the equal--if not superior--to any similar lines. Isn't that fair? And they cost no more.

Being close at hand, where retail merchants can be supplied daily if need be, their goods are always new and fresh.

Your retailer can supply you with any of the goods manufactured by these home concerns. Call for them. You will be getting the best on the market--and at the same time proving your interest in and your loyalty to home institutions.

Women's Suits for Fall Are Very Tempting

Their prettiness of style, fabric and trimming has tempted many women already to choose from them.

Those who are going to the Panama Exposition, or going East, even women who are staying at home and who have grown tired of summer clothes, are buying Fall Suits.

No reason for waiting: There are styles a-plenty to select from, and prices are no higher than they will be later.

Many New Suit Features

The coats are a new length, and though some are very straight and box-like, still they are also ripply and full if you wish. And there are new skirt features, too. The tailoring in this season's Suits is as distinctive as the styles.

Buttons are brought into lavish use. They follow the seams in back, front and sleeves, sometimes as many as fifteen or eighteen in a row.

The Suit Illustrated, \$25

Note the smart lines. It is one of the best models for Fall. Plain tailored, silk-braid bound, button trimmed, of fine gabardine, in African brown, bottle green, navy and black. A Suit of very high order for so moderate a price--\$25.

At \$35—Particularly charming Suits of fine wool Bedford cord with effective trimming touches of velvet, buttons and white broadcloth; smart green-and-white silk lining.

At \$45—Extremely smart Suits of fine whipcord, with combined trimmings of fur, velvet and buttons; the colors are: navy, brown and mouse gray.

At \$50—Elegant Suits in a new Russian model with ripple flare coat, trimmed with seal—the material is very fine, wide-wale wool Bedford cord, in the new African brown, bottle green and navy.

Wooltex Suits—Some very smart, early Fall models are here, beautifully tailored, of pretty wool fabrics in mixtures; button trimmed, and priced at \$25.

Higher Priced Suits

If a Suit is wanted for dressy wear, for general use or for traveling, the present display here affords just such as one would like to possess. All the Fall styles and fabrics and colors are fully represented, and the prices meet every need.

High-class Suits, in charming variety, range from \$40 to \$65.

We want to show you the entire display.
